BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF ASHLAND, NEBRASKA:

Section 1. The Mayor and Council of the City of Ashland, Nebraska, hereby find and determine:

(a) That the City has by ordinance authorized certain street improvements in the City designated as Street Improvement District No. 2017-1 and has authorized the construction of certain street improvements in said Districts pursuant to Sections 17-509 to 17-520, R.R.S. Neb. 2012, and all actions and other required facts and conditions for the authorization of said district and the construction of improvements therein have occurred as required by law;

(b) That it is necessary and appropriate to construct, and the City is constructing, the street improvements designated in said District;

(c) That for this purpose the City will issue its general obligation bonds or other bonds after further determination as to the total remaining costs of the improvements and after finding an appropriate market for said bonds and that the total costs of such improvements, including the cost of issuance of the notes authorized herein, are presently estimated to be in excess of \$1,500,000;

(d) That to fund the costs of the street improvements, the City has previously issued its Street Improvement Bond Anticipation Notes, Series 2018, in the principal amount of \$1,500,000, which bonds remain outstanding and mature on January 29, 2019;

(e) That the City is authorized to issue warrants to pay the costs of said improvements and, pending permanent financing by the issuance of bonds, it is necessary and desirable in order to provide temporary financing, to issue Bond Anticipation Notes in lieu of issuing warrants; and

(f) That all conditions exist for the issuance of Street Improvement Bond Anticipation Notes, Series 2019, in the amount of not to exceed \$1,500,000 pursuant to Section 10-137, R.R.S. Neb. 2012.

Section 2. Notes to be designated Street Improvement Bond Anticipation Notes, Series 2019, in the amount of not to exceed \$1,500,000, which shall be in denominations of \$5,000 each or any integral multiple thereof as determined by the City Treasurer prior to delivery, are hereby authorized to be issued. The notes shall be dated as of their date of delivery and shall mature on the date, be issued in the principal amount and shall bear interest at the rate per annum all as determined in the Note Purchase Agreement (the "Agreement") signed by the Mayor or City Clerk (each an "Authorized Officer", and together, the "Authorized Officers") on behalf of the City and agreed to by Ameritas Investment Corp. (the "Underwriter"), which Agreement may also set the pricing terms and the terms pursuant to which the Notes may be redeemed prior to maturity, all within the following limitations:

- (a) the aggregate principal amount of the Notes shall not exceed \$1,500,000;
- (b) the all-inclusive interest cost of the Notes shall not exceed 3.35%;
- (c) the underwriter's discount shall not exceed 1.00%; and
- (d) the Notes shall mature no later than February 1, 2020 and shall be optional for payment any time on or after June 15, 2019.

The Authorized Officers are authorized to establish the final terms for the Notes and arrange for issuance of the Notes without further action by the Council, provided, however, that the authority of the Authorized Officers to act without further action by the Council shall lapse if not exercised on or before June 30, 2019. In accordance with the date for optional redemption established in the Note Purchase Agreement, the City may thereafter select the notes to be redeemed for optional redemption in its sole discretion. Any notes to be redeemed in part shall be redeemed only in amounts of \$5,000 or integral multiples thereof. Notes redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new note or notes evidencing the unredeemed principal thereof. Notice of redemption of any note called for redemption shall be given at the direction of the City by said Paying Agent and Registrar by mail not less than 30 days prior to the date fixed for redemption, first class, postage prepaid, sent to the registered owner of such note at such owner's registered address. Such notice shall designate the note or notes to be redeemed by maturity or otherwise, the date of original issue and the date fixed for redemption and shall state that such note or notes are to be presented for prepayment at the office of said Paying Agent and Registrar. In case of any note partially redeemed, such notice shall specify the portion of the principal amount of such note to be redeemed. If any note or an interest payment thereon is not paid at maturity or due date, the note or interest installment shall bear interest thereafter until paid at a rate equal to the rate assessed against delinquent taxes under Section 45-104.01 R.R.S. Nebraska 2010, as now existing or as the same may be amended from time to time by the Nebraska Legislature. Said Notes shall be delivered to Ameritas Investment Corp., upon receipt of payment for said notes, at the purchase price therefor agreed to in the Note Purchase Agreement in accordance with the authorization granted to the Authorized Officers. Said notes are sold to the purchaser subject to the opinion of independent bond counsel that said notes are lawfully issued; that said notes constitute a valid obligation of the City; and that under existing laws and regulations, the interest on said notes is exempt from both Nebraska state and federal income taxes. Said purchaser and its agents, representatives and counsel

(including its bond counsel) are hereby authorized to take such actions on behalf of the City as are necessary to effectuate the closing of the issuance and sale of the Notes, including, without limitation, authorizing the release of the Notes by the Depository (as defined herein) at closing.

Section 3. Said notes shall be dated the date of their delivery, be executed on behalf of the City by being signed by the Mayor and the City Clerk, both of which signatures may be facsimile signatures, and shall have the City seal impressed on each note. After being executed by the Mayor and City Clerk, said notes shall be delivered to the Paying Agent and Registrar who shall register each note in the name of its initial registered owner as designated by the initial purchaser. Each note shall be authenticated on behalf of the City by the Paying Agent and Registrar. The notes shall be issued initially as “book-entry only” notes using the services of The Depository Trust Company (the “Depository”), with one typewritten note per maturity being issued to the Depository. In such connection said officers of the City are authorized to execute and deliver a letter of representations and inducement (the “Letter of Representations”) in the form required by the Depository (including any blanket letter previously delivered), for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the notes. Upon issuance of the notes as “book-entry-only” notes, the following provisions shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds notes as securities depository (each, a “Note Participant”) or to any person who is an actual purchaser of a note from a Note Participant while the notes are in book-entry form (each a “Beneficial Owner”) with respect to the following:

(i) the accuracy of the records of the Depository, any nominees of the Depository or any Note Participant with respect to any ownership interest in the notes;

(ii) the delivery to any Note Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the notes, including any notice of redemption, or

(iii) the payment to any Note Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the notes. The Paying Agent and Registrar shall make payments with respect to the notes only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such notes to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Note, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable to or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange notes requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior

written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the notes or (ii) to make available notes registered in whatever name or names the Beneficial Owners transferring or exchanging such notes shall designate.

(c) If the City determines that it is desirable that certificates representing the notes be delivered to the ultimate Beneficial Owners of the notes and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the depository will notify the Note Participants of the availability through the Depository of note certificates representing the notes. In such event, the Paying Agent and Registrar shall issue, transfer and exchange note certificates representing the notes as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any note is registered in the name of the Depository or any nominee thereof, all payments with respect to such note and all notices with respect to such note shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the notes may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the notes may be delivered in physical form to the following:

- (i) any successor securities depository or its nominee; or
- (ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section and the terms of the Paying Agent and Registrar's Agreement (if any).

(f) In the event of any partial redemption of a note unless and until such partially redeemed note has been replaced in accord with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such note as is then outstanding and all of the notes issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of note certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement note certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of note certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any note shall cease to be such officer before the delivery of such note (including any note certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such note. The notes shall not be

valid and binding on the City until authenticated by the Paying Agent and Registrar. The notes shall be delivered to the Paying Agent and Registrar for registration and authentication.

Section 4. All notes authorized by this ordinance shall be fully registered notes pursuant to Section 10-135 R.R.S. Neb. 2012. The Treasurer of the City of Ashland, Nebraska, is hereby designated as Paying Agent and Registrar for the notes. Said Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the notes at such Treasurer's office in Ashland, Nebraska. The names and registered addresses of the initial registered owner or owners of the notes shall be recorded in such books prior to the issuance thereof. Any note may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar upon surrender of the note for notation of transfer, accompanied by a written instrument of transfer, in form satisfactory to such Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar will register such transfer and will deliver at such office (or send by registered mail to the transferee owner or owners thereof at such transferee owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new note or notes of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the notes by this Ordinance, one note may be transferred for several such notes of the same interest rate and maturity and for a like aggregate principal amount, and several such notes may be transferred for one or several such notes, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a note, the surrendered note or notes shall be canceled and destroyed. All notes issued upon transfer of the notes so surrendered shall be valid obligations of the City evidencing the same obligations as the notes surrendered and shall be entitled to all the benefits and protection of this Ordinance to the same extent as the notes upon transfer of which they were delivered. The City Treasurer is hereby authorized and directed to transfer, from any monies of the City available for the purpose, funds required to pay interest and principal on the notes when and as the same become due, to the Paying Agent and Registrar on or before each interest and principal payment date. Payment of interest, except for payment of interest at maturity or upon redemption, shall be mailed to the registered owners of the notes as of the record date for each interest payment date. The record date for each interest payment date shall be the close of business on the fifteenth day immediately preceding the interest payment date. The principal, together with accrued interest then due, shall be payable at maturity or on redemption prior to maturity upon presentation and surrender of each note at the office of the Paying Agent and Registrar in Ashland, Nebraska. The City and the Paying Agent and Registrar shall not be required to transfer notes during any period from any record date until its immediately following interest payment date or to transfer any notes called for redemption for a period of thirty days next preceding any date fixed for redemption prior to maturity.
