BE IT ORDAINED BY THE MAYOR AND CITY COUNCIL OF THE CITY OF ASHLAND, NEBRASKA:

Section 1. The Mayor and Council find and determine:

(a) That pursuant to an ordinance heretofore duly enacted and proceedings duly had, Street Improvement District No. 2017-1 was duly created in the City and street and related improvements were constructed therein which have been completed and have been, and hereby are, accepted by the City;

(b) That the cost of said street improvements in said district as certified by the engineers, together with the costs of issuance of the bonds, is found to be not less than \$1,600,000, and the City has taken all preliminary steps required for the issuance of up to \$1,600,000 in combined principal amount of its Intersection Paving Bonds under Section 17-520, R.R.S. Neb. 2012, and its District Improvements Bonds of said District under Section 17-516, R.R.S. Neb. 2012;

(c) That pursuant to authority granted by Sections 18-1801 and 18-1802, R.R.S. Neb. 2012, the City may combine proposed bond issues into a single bond issue to be designated "Various Purpose Bonds", and that all conditions, acts and things required by law to exist or to be done precedent to the issuance of General Obligation Various Purpose Bonds, Series 2020, of the City of Ashland, Nebraska, in the principal amount of not to exceed \$1,600,000 have been done in due form and time as required by law.

(d) That to pay the cost of the improvements described above, the City has previously issued Street Improvement Bond Anticipation Notes, Series 2019, dated January 29, 2019, in the aggregate principal amount of \$1,500,000, which are optional for payment on and after June 15, 2019, and the City will pick up and pay said notes with the proceeds of the General Obligation Various Purpose Bonds, Series 2020.

Section 2. For the purposes as set out in Section 1 hereof, there shall be and there are hereby ordered issued General Obligation Various Purpose Bonds, Series 2020, dated the date of delivery, in the combined principal amount of not to exceed \$1,600,000 (the "Bonds") with the Bonds to become due as set out in the Bond Purchase Agreement (the "Agreement"), *provided* that the Bonds mature in the principal amounts and bear interest at the rates per annum as shall be

determined in the Agreement signed by the Mayor or the City Clerk (each, an “Authorized Officer”, and together, the “Authorized Officers”) on behalf of the City and which may be agreed to by Piper Jaffray & Co., which Agreement may also determine or modify the principal amount for each maturity of the Bonds, mandatory redemption provisions (if any), and pricing terms, all within the following limitations:

- (a) The aggregate principal amount of the Bonds shall not exceed \$1,600,000;
- (b) The all-inclusive interest cost of the Bonds shall not exceed 3 %;
- (c) The underwriter’s discount shall not exceed 1.50%; and
- (d) The longest maturity of the Bonds shall not be later than December 31, 2035.

An Authorized Officer shall be authorized to enter into an Agreement within the above parameters without further action of the Mayor and Council, provided, however, that on and after November 30, 2020, the Authorized Officers shall have no authority without further action of the Mayor and Council of the City. The Bonds shall be issued in the denomination of \$5,000 or any integral multiple thereof and shall be numbered from 1 upwards in the order of their issuance. No Bond shall be issued originally or upon transfer or partial redemption having more than one principal maturity. The initial Bond numbering and principal amounts for each of the Bonds issued shall be as directed by the initial purchasers thereof. Interest on the Bonds shall be payable semiannually upon such dates as shall be designated in the Agreement. The interest due on each interest payment date shall be payable to the registered owners of record as of the close of business on the fifteenth day (whether or not a business day) immediately preceding the interest payment date (the “Record Date”), subject to the provisions of Section 3 hereof. Payment of interest due on the Bonds prior to maturity or redemption shall be made by the Paying Agent and Registrar, as designated pursuant to Section 3 hereof, by mailing a check in the amount due for such interest on each interest payment date to the registered owner of each Bond, as of the applicable Record Date, to such owner’s registered address as shown on the books of registration, as required to be maintained in Section 3 hereof. Payment of principal due at maturity or at any date fixed for redemption, together with any accrued interest then due, shall be made by said Paying Agent and Registrar to the registered owners upon presentation and surrender of the Bonds to said Paying Agent and Registrar. In the event that Bonds of this issue are held in the nominee name of a national clearinghouse or depository, payment of principal or interest shall be made by wire transfer of funds in accordance with any applicable regulations governing “Depository Eligible Securities”. The City and said Paying Agent and Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payments thereon and for all other purposes and neither the City nor said Paying Agent and Registrar shall be affected by any notice or knowledge to the contrary whether such Bond or any installment of interest due thereon shall be overdue or not. All payments on account of interest or principal made to the registered owner of any Bond shall be valid and effectual and shall be a discharge of the City and said Paying Agent and Registrar, in respect of the liability upon the Bonds or claims for interest to the extent of the sum or sums so paid. If any Bond is not paid upon presentation of the Bond at maturity or any interest installment is not paid when due, the delinquent Bond or delinquent interest installment shall bear interest thereafter until paid at a rate equal to the rate assessed against delinquent taxes under Section 45-104.01 R.R.S. Nebraska, 2010, as now existing or as the same may be amended from time to time by the Nebraska Legislature.

Section 3. The City Treasurer, Ashland, Nebraska, is hereby designated as Paying Agent and Registrar for the Bonds, provided that the Mayor may, in his or her discretion, appoint a bank with trust powers or trust company to serve as Paying Agent and Registrar under the terms of this Ordinance as may be determined from time to time. The Paying Agent and Registrar shall keep and maintain for the City books for the registration and transfer of the Bonds at the office of the Paying Agent and Registrar or the office of any duly-appointed successor, as applicable. The names and registered addresses of the registered owner or owners of the Bonds shall at all times be recorded in such books. Any Bond may be transferred pursuant to its provisions at the office of the Paying Agent and Registrar upon surrender of such Bond for cancellation, accompanied by a written instrument of transfer, in form satisfactory to such Paying Agent and Registrar, duly executed by the registered owner in person or by such owner's duly authorized agent, and thereupon the Paying Agent and Registrar will register such transfer upon said registration books and deliver to the transferee registered owner or owners (or send by registered mail to the transferee owner or owners at such owner's or owners' risk and expense), registered in the name of such transferee owner or owners, a new Bond or Bonds of the same interest rate, aggregate principal amount and maturity. To the extent of the denominations authorized for the Bonds by this Ordinance, one Bond may be transferred for several such Bonds of the same interest rate and maturity and for a like aggregate principal amount, and several such Bonds may be transferred for one or several such Bonds, respectively, of the same interest rate and maturity and for a like aggregate principal amount. In every case of transfer of a Bond, the surrendered Bond or Bonds shall be cancelled and destroyed. All Bonds issued upon transfer of the Bonds so surrendered shall be valid obligations of the City evidencing the same obligations as the Bonds surrendered and shall be entitled to all benefits and protection of this Ordinance to the same extent as the Bonds upon transfer of which they were delivered. The City and the Paying Agent and Registrar shall not be required to transfer Bonds during any period from any Record Date until its immediately following interest payment date or to transfer any Bonds called for redemption for a period of 30 days next preceding the date fixed for redemption prior to maturity. In the event that payments of interest due on the Bonds on an interest payment date are not timely made, such interest shall cease to be payable to the registered owners as of the Record Date for such interest payment date and shall be payable to the registered owners of the Bonds as of a special date of record for payment of such defaulted interest as shall be designated by the Paying Agent and Registrar whenever monies for the purpose of paying such defaulted interest become available.

Section 4. Bonds maturing on or after the fifth anniversary of the date of issue shall be subject to redemption, in whole or in part, prior to maturity at any time on or after the fifth anniversary of the date of issue, at par plus accrued interest on the principal amount redeemed to the date fixed for redemption. The City may select the Bonds to be redeemed from such optional redemption in its sole discretion but Bonds shall be redeemed only in the amount of \$5,000 or integral multiples thereof. Any Bond redeemed in part only shall be surrendered to the Paying Agent and Registrar in exchange for a new Bond evidencing the unredeemed principal thereof. Notice of redemption of any Bond called for redemption shall be given at the direction of the Mayor and Council by the Paying Agent and Registrar by mail not less than thirty days prior to the date fixed for redemption, first class postage prepaid, sent to the registered owner of such Bond at said owner's registered address. Such notice shall designate the Bond or Bonds to be redeemed by number and maturity, the date of original issue, the date fixed for redemption and state that such Bond or Bonds are to be presented for payment at the office of the Paying Agent and Registrar. In case of any Bond partially redeemed, such notice shall specify the portion of the

principal amount of such Bond to be redeemed. No defect in the mailing of notice for any Bond shall affect the sufficiency of the proceedings of the Mayor and Council designating the Bonds called for redemption or the effectiveness of such call for Bonds for which notice by mail has been properly given and the Mayor and Council shall have the right to further direct notice of redemption for any such Bond for which defective notice has been given.

Section 5. If the date for payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday or a day on which banking institutions in the city or village where the principal office of the Paying Agent and Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not a Saturday, Sunday, legal holiday or a day on which such banking institutions are authorized to close, and payment on such day shall have the same force and effect as if made on the nominal date of payment.

Section 6. The Bonds shall be executed on behalf of the City by being signed by the Mayor and the City Clerk, both of which signatures may be facsimile signatures, and shall have the City seal impressed on each Bond. The City Clerk shall make and certify a transcript of the proceedings precedent to the issuance of said Bonds which shall be delivered to the purchaser of said Bonds. After being executed by the Mayor and City Clerk, said Bonds shall be delivered to the Treasurer of the City who shall be responsible therefor under his/her official bond. Such Treasurer shall maintain a record of information with respect to said Bonds in accordance with the requirements of Section 10-140, R.R.S. Neb. 2012, as amended, and shall cause the same to be filed with the office of the Auditor of Public Accounts of the State of Nebraska. The Paying Agent and Registrar shall register each Bond in the name of its initial registered owner as designated by the initial purchaser. Each Bond shall be authenticated on behalf of the City by the Paying Agent and Registrar. The Bonds shall be issued initially as "book-entry only" bonds using the services of The Depository Trust Company (the "Depository"), with one typewritten Bond per maturity being issued to the Depository. In such connection said officers of the City are authorized to execute and deliver a letter of representations and inducement (the "Letter of Representations") in the form required by the Depository (which may include any "blanket" letter previously executed and delivered), for and on behalf of the City, which shall thereafter govern matters with respect to registration, transfer, payment and redemption of the Bonds. Upon issuance of the Bonds as "book-entry-only" bonds, the following shall apply:

(a) The City and the Paying Agent and Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds as securities depository (each, a "Bond Participant") or to any person who is an actual purchaser of a Bond from a Bond Participant while the Bonds are in book-entry form (each a "Beneficial Owner") with respect to the following:

- (i) the accuracy of the records of the Depository, any nominees of the Depository or any Bond Participant with respect to any ownership interest in the Bonds;
- (ii) the delivery to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any notice of redemption, or

(iii) the payment to any Bond Participant, any Beneficial Owner or any other person, other than the Depository, of any amount with respect to the Bonds. The Paying Agent and Registrar shall make payments with respect to the Bonds only to or upon the order of the Depository or its nominee, and all such payments shall be valid and effective fully to satisfy and discharge the obligations with respect to such Bonds to the extent of the sum or sums so paid. No person other than the Depository shall receive an authenticated Bond, except as provided in (e) below.

(b) Upon receipt by the Paying Agent and Registrar of written notice from the Depository to the effect that the Depository is unable to or unwilling to discharge its responsibilities, the Paying Agent and Registrar shall issue, transfer and exchange Bonds requested by the Depository in appropriate amounts. Whenever the Depository requests the Paying Agent and Registrar to do so, the Paying Agent and Registrar will cooperate with the Depository in taking appropriate action after reasonable notice (i) to arrange, with the prior written consent of the City, for a substitute depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging such Bonds shall designate.

(c) If the City determines that it is desirable that certificates representing the Bonds be delivered to the ultimate Beneficial Owners of the Bonds and so notifies the Paying Agent and Registrar in writing, the Paying Agent and Registrar shall so notify the Depository, whereupon the depository will notify the Bond Participants of the availability through the Depository of bond certificates representing the Bonds. In such event, the Paying Agent and Registrar shall issue, transfer and exchange bond certificates representing the Bonds as requested by the Depository in appropriate amounts and in authorized denominations.

(d) Notwithstanding any other provision of this Ordinance to the contrary, so long as any Bond is registered in the name of the Depository or any nominee thereof, all payments with respect to such Bond and all notices with respect to such Bond shall be made and given, respectively, to the Depository as provided in the Letter of Representations.

(e) Registered ownership of the Bonds may be transferred on the books of registration maintained by the Paying Agent and Registrar, and the Bonds may be delivered in physical form to the following:

(i) any successor securities depository or its nominee; or

(ii) any person, upon (A) the resignation of the Depository from its functions as depository or (B) termination of the use of the Depository pursuant to this Section and the terms of the Paying Agent and Registrar's Agreement (if any).

(f) In the event of any partial redemption of a Bond unless and until such partially redeemed Bond has been replaced in accordance with the provisions of this Ordinance, the books and records of the Paying Agent and Registrar shall govern and establish the principal amount of such Bond as is then outstanding and all of the Bonds issued to the Depository or its nominee shall contain a legend to such effect.

If for any reason the Depository resigns and is not replaced or upon termination by the City of book-entry-only form, the City shall immediately provide a supply of bond certificates for issuance upon subsequent transfers or in the event of partial redemption. In the event that such supply of certificates shall be insufficient to meet the requirements of the Paying Agent and Registrar for issuance of replacement bond certificates upon transfer or partial redemption, the City agrees to order printed an additional supply of bond certificates and to direct their execution by manual or facsimile signature of its then duly qualified and acting officers. In case any officer whose signature or facsimile thereof shall appear on any Bond shall cease to be such officer before the delivery of such Bond (including any bond certificates delivered to the Paying Agent and Registrar for issuance upon transfer or partial redemption) such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer or officers had remained in office until the delivery of such Bond. The Bonds shall not be valid and binding on the City until authenticated by the Paying Agent and Registrar. The Bonds shall be delivered to the Paying Agent and Registrar for registration and authentication.

Section 7. The Bonds shall be in substantially the following form:
